

IMAGINE

Imagine the possibilities of what your “simple gesture” can do.

If only 10% of our neighbors bought one extra non-perishable food item every time they went grocery shopping, we would add an extra 40 tons of food per year to our food pantry.

BUILDING COMMUNITY BY SHARING FOOD

With your help:

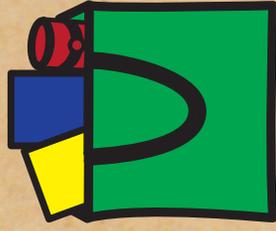

- We can make it easier for individuals to share food.
- We can help food pantries provide more food to those in need.
- We can help strengthen neighborhoods.

A SIMPLE GESTURE is an all-volunteer,
501(c)(3) non-profit charity
dedicated to feeding the hungry.

YOU WANT TO HELP... WE WANT TO MAKE IT EASY!

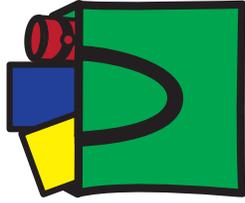

Dear Neighbor,

Nationally, the demand at food banks continues to grow. Here in Norwell, an often unseen but equally needy group of our neighbors struggle to feed themselves or their children.

Is there a way the citizens of Norwell can become the key source of food for its neediest?

We think so! **Think cool, green bag you see in this brochure.**

We will give you a really cool, green bag. Just fill it with non-perishable items—a **simple gesture**—and we will pick it up.

This program has already proven successful in numerous communities across the country: it's a simple program, run entirely by volunteers, that helps our neighbors in need. We are confident that many of our citizens will help in this systematic food collection program.

Please contact us and we will bring a cool, green bag to your house. Your simple gesture will make a difference to the neediest among us.

Thank you for your support!

A Simple Gesture-Norwell
Steering Committee

A SIMPLE GESTURE is a door-to-door food collection program that will provide a steady supply of food to the neediest families in Norwell and surrounding communities.

Three Simple Steps:

1. Each week when you go shopping, buy one extra non-perishable food item.
2. Store it in your cool, green bag.
3. On a designated Saturday of every other month, a volunteer will pick up the bag, leave another bag in its place, and take the filled bag to the Norwell Food Pantry.

It's that simple: You buy one extra non-perishable food item; we take care of the rest.

HOW TO JOIN A SIMPLE GESTURE

There are three ways to help:

Share Food

Ask for a cool, green bag. We estimate that for every 300 people who participate, we will collect one additional ton of food a month. And it all starts with you.

Invite your neighbors

Ask neighbors if they would like to get a cool, green bag and join this program.

Help transport food

Once every two months, on a Saturday, help pick up the green bags and bring to the food pantry.
